Unleashed

I effortlessly create beautiful blissful masterpieces as my reality
I release any judgment's or projections of others and express myself fully and authentically
I honor myself in all stages
I accept myself in all phases
I love myself has a divine beautiful reflection of the feminine energy that create and circulates all existence
I love my heart
I love my soul,
I love my body
I love my face
I love my hair
I love my eyes
I love my hands, my feet's, my arms, legs and toes
I love and worship my womb
I love and celebrate all parts of my being
I am so grateful to have a human vessel
I am so grateful to be a Woman
I am so grateful for my own cycles of death and rebirth
I am so grateful to physically shed every month
I am so grateful to let go of what no longer serves me
I surrender to the flow
I am so grateful to be strong, graceful and full of light
I am grateful to be me!
I vow to honor my being and vessel has a manifestation of divine creation
I am the divine Feminine in form
I vow to reflect this knowing into my thoughts, feelings and actions
I am pure
I am wholly
I am perfect
I am a being of angelic ultraviolet light
I am my happiest, most beautiful, most loving, most caring, most successful abundant version of myself
I am so grateful to embody this in totality
An so it is.....
